- 1 G.O.(Rt) No. 177/2025/P&EA dated 23-04-2025.
2. Agreement dated 29-02-2024 between IMPACT Kerala Ltd. and M/s ENREC ENGINEERS.
3. Letter No. IMPACT/129/2023-ADMIN dated 08-04-2026 from the Managing Director, IMPACT Kerala Ltd.
4. Minutes of the 29th Meeting of the High-Level Empowered Committee (HLEC) of RKI held on 18-07-2026 .

ORDER

As per Govt. order read as 1st paper above Administrative Sanction was accorded for establishing a 50 KLD Faecal Sludge Treatment Plant (FSTP) in Varkala Municipality under the Rebuild Keralam Initiative (RKI) at an estimated cost of ₹4.83 Crore through IMPACT Kerala Ltd. (IKL) under Design-Build-Operate (DBO) mode. The work was awarded to M/s ENREC ENGINEERS, and the agreement was executed on 29-02-2024.

2. A backup power facility (Diesel Generator – DG set) is critical to ensure uninterrupted operation of the plant. Hence the Managing Director IMPACT Kerala Ltd.(IKL) requested sanction for for providing and installing a Diesel Generator (DG) at an additional cost of ₹6,72,000/-(Rupees Six Lakhs Seventy-Two Thousand only) plus applicable GST (18%).

3. Although backup power was mandated in the tender conditions, the contractor omitted the item from the submitted Bill of Quantities (BOQ). The Managing Director, IMPACT Kerala Ltd., as per the letter read as 3rd paper above, confirmed that the rates were

vetted and found reasonable by the competent technical authority, the inclusion of the item does not affect the L1 status of M/s ENREC ENGINEERS, and the additional requirement can be met from within the available project savings without enhancing the approved Administrative Sanction amount.

4. The 29th High-Level Empowered Committee (HLEC) of RKI, in its meeting held on 18-07-2026, considered the matter and approved the proposal for the procurement and installation of a Diesel Generator (DG) set for power backup at an estimated cost of ₹6.72 Lakhs plus applicable GST.

5. In the circumstances, Government are pleased to accord sanction to IMPACT Kerala Ltd. for providing and installing a Diesel Generator (DG) set for the 50 KLD FSTP at Varkala Municipality through the existing contractor, M/s ENREC ENGINEERS, at an additional cost of ₹6,72,000/- (Rupees Six Lakhs Seventy-Two Thousand only) plus applicable GST, subject to the following conditions:

- i) The expenditure shall strictly be met from the available savings within the originally sanctioned project cost of ₹4.83 Crore, without any additional financial commitment to Government.
- ii) The installation, testing, and commissioning shall adhere to the technical specifications and standards approved by the competent technical authority.
- iii) The Managing Director, IMPACT Kerala Ltd., shall ensure that all statutory clearances are duly obtained.
